DATED : 22nd September, 2006

P.C.

. Heard learned counsel for the parties. On instructions the learned Associate Advocate General points out that the petitioner considering the marks obtained is ineligible for MBBS course as well as BDS course. Similarly, as he has not obtained 50% marks at 12th standard, he is ineligible for the Aurveda course. Considering the certificate issued which shows both the eligibility/fitness, it is proposed to send the petitioner to Special Medical Board for certificate for which course of health science the petitioner would be eligible. Accordingly, it will also be open to the petitioner for this academic year to get admission if he so desires and eligible in the other courses which he may be held to be eligible.

2. With the above observations, the petition stands disposed of. The petitioner will be sent to the Special Medical Board within one week. The Special Medical Board to issue certificate thereafter as soon as possible.
